

2022/2023 Season

CHICAGO SHOOT OUT RULES

*** FOR ANDRA INDEX BRACKETS ***

The Chicago Shootout Brackets will run over 3 rounds.

Solos if applicable are awarded as per qualifying order.

If a racer misses a round, they can still come back and race in the next round.

If a racer withdraws then his or her opponent will get a bye. Rounds will not be reseeded.

After the third round the two Racers with the most wins from each bracket will contest the Final.

If there are more than 2 Racers on the same number of wins after the 3rd Round, then the better performer(s) from the 3rd Round will go into the Final.

The better performer is the racer(s) with a WIN and the closest to or furthest under their respective Index in the 3rd Round.

This same calculation will determine the finishing position for the rest of the field to award points as per the table below.

R/up	= 90
3 rd	= 80
